

ARE YOU STRUGGLING TO AFFORD YOUR UTILITY BILLS?

*Pennsylvania's LIHEAP
Recovery
Crisis Program is now
accepting applications.*

You might be eligible for up to \$800 to help pay for electric or heating bills. Help is also available to fix a broken heating system.

Eligibility:

- You are a resident of PA
- Your income is at or below 150% of the Federal Poverty Level
- You are responsible for paying your primary or secondary heating source*, either directly or through rent.
- You have an energy emergency which can be resolved by the grant
- You are in danger of termination, without service, or have 15 days of fuel or less.
- Have a shut-off letter or a past-due utility bill if the amount would normally result in a shut-off notice

§ A secondary heating source is the type of energy that is necessary to operate the primary heat source. For example, electricity is required to operate a natural gas furnace.

Income Guidelines

Household Size	Annual Income Limit
1	\$18,735
2	\$25,365
3	\$31,995
4	\$38,625

If you have not already received a Crisis grant during the 2019-2020 LIHEAP season, you could receive up to \$800 delivered directly to your energy vendor.

An automatic \$100 supplemental Crisis grant will be given to households that received a Crisis grant during the 2019-2020 LIHEAP season.

A Crisis grant could also be issued to cover past-due deliverable fuel bill if the fuel company will not complete a new delivery due to the past-due balance.
